

1. 2005 PRD Rollers List/Slate: Attached, please find an updated PRD rollers list for **FY2005**. This list will be the starting point for next year's slating process. Please review it and send in your duty preferences to your Detailer (emails below). Email is the preferred method for receiving that information. We request that you forward your duty preferences by 3 March 2004. Please feel free to call or email separately if you have questions related to your duty preferences or the timing for forwarding them to us.

· To clarify, this list represents O-4/O-5/O-6 billets with projected rotation dates (PRDs) in FY05. The LT slate is a "rolling" process and LCDR McCurdy will work with the non-augmented O-3s all year long to fill those positions. If you are an augmented O-3 and/or will be in zone for promotion, either at the May 2004 (FY05) or FY06 Selection Boards, and desire to compete for a LCDR job on the list below, please discuss this with your Detailer.

· We will update this list throughout the year as jobs open up or as decisions on PRD extension requests are made. PRD extensions could take that particular job off this list. We don't have projected dates for completing the slate yet, so we will keep you informed as a timetable develops.

· **Early Rollers:** Please note this list does not include people who have expressed to their detailers a desire to leave their current billets early, or who have requested to be considered for extensions in place. If you are requesting an "early roll", that is, your PRD falls on or after December 2005 but you want to compete for a job on the list below, your name and position obviously don't appear below. If you want to compete for a job below, send in your duty preference and you will be considered for those requested positions. If an early roller is selected for a FY05 job, their present position will then be advertised immediately as opening in FY05.

--**Website:** This list will be posted onto the [Detailers](http://www.bupers.navy.mil/pers4/pers4416/p4416home.htm) website, and won't be appearing in future People Talks. Please refer to the website at <http://www.bupers.navy.mil/pers4/pers4416/p4416home.htm> for more information related to changes in the slate.

Please contact your detailer with any questions/concerns as soon as possible.
